• Entry is not automatic. A horse must enter the BSS Consolation or BSS Final to be named a starter. A horse must start in at least two BSS legs to be eligible to enter for the BSS Consolation or BSS Final. All horses (except ineligible or invalidated/annulled horses) receiving points in two legs may enter the BSS Final or BSS Consolation, but only the eight horses for a BSS Final on a half-mile track or nine horses for a BSS Final on a five-eighths mile track with the highest point totals of those entered will be selected as starters. When the BSS Final is raced on a half-mile track, the eight horses with the highest point totals or entered in the BSS Final are not eligible to enter the BSS Consolation. When the BSS Final is raced on a five-eighths mile track, the nine horses with the highest point totals or entered in the BSS Final are not eligible to enter the BSS Consolation. If a horse is eligible by points and drawn in to race in the BSS Final, the horse shall race only in the BSS Final. A horse scratched from the BSS Final is not eligible to enter the BSS Consolation.

• Excluding ineligible, invalidated, or annulled horses, all other horses receiving points in at least two BSS legs may enter the BSS Consolation, but only the eight horses for a BSS Consolation on a half-mile track or nine horses for a BSS Consolation on a five-eighths mile track with the highest point totals of those entered will be selected as starters.

• Points will be awarded in each of the five legs of the series as follows: Win-51, Second-26, Third-13, Fourth-9, Fifth-6 and all remaining starters-1. In the event of a dead heat, as with purse money division, horses shall receive the standard distribution of points for their order of finish.

• Points are calculated as-of the draw date for any Consolation, or Final. Points shall be awarded according to any placing of the judges and shall be used to determine which horses shall qualify for the Buckeye Stallion Series Consolation or Final. Any pending appeal of a ruling issued by the judges shall not alter the placing determined by the judges. Participants with appeals yet to be decided at the time of declaration have points deducted for the violation. In the case of a positive drug test, all appeals will have points deducted for a placing, unless the case has a final, unappealable decision prior to declaration.

• Should any participant in the Buckeye Stallion Series be notified of a positive drug test result in any Series Race, he/she must notify the Ohio Harness Horseman’s Association upon receipt of the notice.

• If two or more horses tied in points declare in for the last position in the Buckeye Stallion Series Consolation or Final, the horse with the highest earnings in the Buckeye Stallion Series for the current year will be the last starter. If the tie is not broken by earnings, the last starter shall be drawn by lot.

• Two also-eligible horses may be drawn in the Buckeye Stallion Series Consolation or Final. The higher point winner shall be assigned also-eligible #1. If also-eligible horses tie in points, the horse with the higher Buckeye Stallion Series earnings, also-eligible #1 shall be drawn by lot. Also-eligible horses may move in if a scratch occurs prior to the designated scratch time at the track hosting the Buckeye Stallion Series Consolation or Final.

• Cancellations. If circumstances prevent racing any leg, Consolation, or the Final at the scheduled racetrack on its advertised date, the OHHA may reschedule it on another date or at another track.

• Unless otherwise specifically stated in the conditions, Ohio State Racing Commission Rules will govern. The interpretation of any of the conditions and settlement of any disputes that arise will be determined by the OHHA in their sole and complete discretion in making a final decision. The OHHA reserves the sole and exclusive right to modify, alter, amend and/or cancel this event in its entirety.
