Racing Conditions:

All events will be one heat at one mile. Should ten (10) or fewer horses declare to start, there will be no elimination races and all declared will race in the final. If more than ten (10) declare to start, the host track may adopt any of the methods of dividing the race then current in the rules and regulations. If elimination races are necessary, the number of horses in finals for these events shall be limited to the number of positions on the starting gate at the host track and they will be held approximately one week prior to each of the finals. Any ties so far as continuing from an elimination race to a final shall be decided by a blind draw. Should any horse(s) eligible for the final should choose not to race, additional horse(s) from the elimination races will be selected from those properly declared by taking the horse(s) placing highest in the order of finish in the elimination races to complete the field for the final. The next two properly declared horses placing highest in the order of finish in the elimination races shall be listed as also eligible for the finals and may draw in before scratch time. Elimination winners draw for Posts 1-6 for the Final in an order determined by lot. Horses qualifying for the final may not race in the consolation.
