FanDuel Championships

are restricted to FanDuel eligible horses, winners of races listed below and invited foreign based horses.

Failure to make any payment required by the conditions constitutes an automatic withdrawal from the event.

Eligibility/Racing Conditions:

To start in the FanDuel FFA Championship, horses must be declared with the Racing Office by the date and time posted on the condition sheet. The maximum number of starters in the Championships shall be equal to the number of positions on the starting gate of the Host Track with the exception(s) described below. To be guaranteed eligibility for the Championships a horse must be credited with a start in no less than half (50%) of the races listed as "Point Earning Races" scheduled in their division. The top nine (9) point earning horses declared that meet the starts and eligibility requirements are guaranteed a berth in the Championships. The Point leader(s) at the time of the draw for the Championships shall draw from post positions 1-6.

Point System:

Should the number of horses eligible as provided in these conditions declared into any Championship exceeds the maximum number as specified above, a point system (listed below), based on the official order of finish: (1) at the Host Track for the applicable preliminary leg and (2) at the time the entry box for the Championship is closed, will determine preference for the Championships.

1st Place 35 Points
2nd Place 25 Points
3rd Place 15 Points
4th Place 10 Points

- 5th Place 8 Points
- 6th Place 6 Points
- 7th Place 4 Points
- 8th Place 2 Points
- 9th Place and all other starters 1 Point

Horses racing in preliminary leg consolation races will be awarded the same points as those racing in a main event. Horses racing in an elimination race and not advancing to the final will receive credit for a start but no points. In the event the connections of a nominated horse should choose to accept a bye into the final of a preliminary leg rather than race in an elimination, that horse will receive credit for a start but no points. Any horse entering a designated point earning leg which does not fill and is not raced or is excluded in a top money winning format race will receive SEVEN (7) points towards qualifying for the Championships, plus credit for a start. A horse scratched from an event which is raced will NOT receive credit/points toward meeting the requirements for the Championships.

Dead-Heat:

Any horses finishing in a “Dead-Heat” for any position will be awarded an equal share of the total number of points for the positions involved in the “Dead-Heat”.

Tie Breaks:

a) First, the horse(s) with the most starts in the preliminary legs of this series shall receive preference; if after that tiebreaker a tie remains, then: b) The horse(s) with the highest total earnings to date in the current season as compiled by the USTA shall have preference.

Starters in Less than 50% of the Legs:

In the event a Championship fails to fill to the extent as stated in the conditions above, those with fewer than the minimum starts that are declared will then be considered for inclusion in the Championships. The highest point earners in this group shall have preference in being added to the field, and in the event of ties, the above clause(s) will be used.

Mare Buy Up:

If, after all of the above conditions are exhausted there remain unfilled positions, mares that are eligible to the FanDuel Mare divisions may buy into and race in the FanDuel Open. To gain eligibility, the difference in payments between the Mare and Open divisions must be paid along with the Open declaration fee.

Refunds:

Any horse that is declared for this race but does not draw in due to the above conditions (including a horse drawn as also eligible that does not draw into the race) has a minimum of one start credit and meets the track’s qualifying standards for the race will have their nomination and sustaining fees refunded in full and shall NOT be liable for the entry fee.

Money Division:

Leg purses shall be left to the discretion of the Host Track. One percent (1%) of the purse for the FanDuel will be awarded to each horse finishing sixth through last. The balance of the purse shall be distributed 50% - 25% - 12% - 8% - 5%. The Administrator will deduct 1% of the total of nomination and sustaining payments to cover the cost of administration, trophies and trophy coolers for these events.
