Racing Conditions:

The LTBA will use its best efforts to publish the Racing Conditions for both the Kentucky Open and Filly Division . Otherwise the Racing Conditions for the Races will be published in the USTA Stakes Guide and online at the USTA, or available from The Red Mile when finalized.

The LTBA reserves the right to conduct either Race or both Races: at a distance of one mile or greater; in heats on the same date; or in eliminations to be held on the same date as the Final or a week previous. The Open may be conducted in a different format than the Filly Division.

In the event that fewer than thirteen (13) horses declare to start, the race may be divided into elimination races and those elimination races shall be raced for 30% (divided equally among divisions) of the total purse. The final heat shall race for 70% of the total purse. Horses qualifying for the second heat shall be determined by the following guidelines:

13 – 20 Declarations: 2 elimination races with the first five finishers in the official order of finish qualifying for the final.

21 – 30 Declarations: 3 elimination races with the first three finishers and two fourth place finisher(s) with the highest seasonal earnings for that year in the official order of finish qualifying for the final.

31 – 40 Declarations: 4 elimination races with the first two finishers and third place finisher(s) with the highest seasonal earnings for that year in the official order of finish qualifying for the final.

(Seasonal earnings, for the purpose of the above conditions, shall be as recognized by the USTA and include money won in the first heat.) The number of horses advancing to the final shall be determined by the number of positions on the starting gate. Post positions for the Final shall be drawn by the order of finish in the elimination heats with all first elimination heat winners drawing for the inside post positions and so on. Horses not qualifying for the Final may not draw into the Final race to replace a scratched horse.

Money Division:

In both the Open and Filly division, the purse shall be divided and awarded: 50-25-12-8 and 5% according to the finish in each of the eliminations and final.

Protests, Investigations And/Or Disputes:

In the event of any protest, investigation or dispute with respect to the results of the LTBA or any Races related thereto, the LTBA may, if it is in possession of the purse, at its option deliver the purse, or the disputed portion thereof, to the Track which shall hold such purse in a segregated interest-bearing bank account, to be disbursed by the Track following the final binding and non-appealable determination of any such protest, investigation or dispute. Further, the Owner shall hold the LTBA and the Track, their officers, directors, members, employees and agents harmless from, against and in respect of any and all claims, actions, losses, damages, liabilities, judgment, costs and expenses (including, without limitation, reasonable attorneys' fees and disbursements) resulting from any such protest, investigation or dispute.

In the case of any dispute as to the interpretation of these conditions, the decision of the Executive Committee of The Lexington Trots Breeders Association, Inc. shall be final. All fees and payments in any race are accepted on the condition that all claims, objections and appeals arising out of these Races or with respect to any interpretation of any rules or conditions of the Races, or otherwise shall be decided by the Executive Committee of the LTBA, which decision shall be final and not subject to appeal. Any appeal rights which the owner shall otherwise have are waived.

Rules:

The LTBA reserves the right to add to, amend or delete the conditions of all or any part of the The Kentucky Futurity, without liability including but not limited to:
