- 2) Post positions in all legs drawn by lot.
- 3) At the time of declaration, with the exception of championship legs, a horse must meet current qualifying standards at MVR (official track variances allowed).
- 4) Declarations close in accordance with the current draw schedule at MVR.
- 5) Nomination fee must accompany all nominations. No starting fees required.

- 6) Nomination fees will be used toward the final purse.
- 7) MVR requires six separate betting interests in any event or it may be canceled.
- 8) In the event that more than eleven enter any preliminary leg, the race will be split into divisions.
- 9) Horses with the highest earnings in preliminary legs will qualify to compete in the final. The final will be limited to nine starters with no more than two declarations from any owner or trainer. In the event that any of the highest money winners fail to declare, series starters with the highest earnings may be drawn if declared, to fill. If two horses have tie earnings for the final spot, ten horses will be drawn to race. If more than two are tied, horses with two series starts will get preference. If a tie still exists random draw will determine the ten starters.
- 10) MVR reserves the right to reject any entry and return fee and declare off the event if sufficient nominations (at least 18) are not received.
- 11) All series may be limited to maximum of 40 entrants. If over 40 enter, preferences may be applied: A) Ohio Sired, B) Ohio Owned/Trained, C) Horses with most 2024 MVR starts.
