These monies will be pro-rated among those owners of horses eligible at the time of cancellation.

Declaration fee shall be due at the time of declaration and payable before the horse starts. The declaration fee is payable only once, whether the nominee is declared for one or more of the preliminary legs and/or the final. Declaration fees should be made payable to the Host Track. There are no refunds for scratched horses.

At the time of declaration, horses declared to race in these events must have a past performance line that meets the current qualifying standard for stakes and/or added money races at the Host Track. Any horse eligible via the point standings to race in the final of this event will be considered "Qualified to Race" in the final.

Notice:

Failure to make any payment required by the conditions constitutes an automatic withdrawal from the event.

Racing Conditions:

All events will be one heat. Sponsors reserve the right to conduct any of the legs or the final at a distance other than one mile. If more than 10 (12 on a one mile track) declare to start in any preliminary leg, the Host Track may adopt any of the methods of dividing the race then current in the rules and regulations.

Eligibility for Final:

The maximum number of starters in the Final shall equal the number of positions on the starting gate of the Host Track. To start in the Final, horses must be declared for that race with the Racing Office by the time posted on the condition sheet. To be guaranteed eligibility to race in the Final a horse must have start credits in no less than half (50%) of the preliminary legs. The point leader(s) at the time of the draw for the final shall draw from post positions 1-6. In the event that the number of horses eligible as provided in these conditions declared into any final exceeds the maximum number specified by these conditions, a point system (listed below), based on the official order of finish: (1) at the Host Track for the applicable preliminary leg and (2) at the time the entry box for the Final is closed, will determine preference for the Final.

Point System:

- 1st Place = 35 Points
- 2nd Place = 25 Points
- 3rd Place = 15 Points
- 4th Place = 10 Points
- 5th Place = 8 Points
- 6th Place = 6 Points
- 7th Place = 4 Points
- 8th Place = 2 Points
- 9th Place and all other starters = 1 Point

Dead-Heat:

Any horses finishing in a "Dead-Heat" for any position will be awarded an equal share of the total number of points for the positions involved in the "Dead-Heat."

Tie Breaks:

First, the horse(s) with the most starts in the preliminary legs of this series shall receive preference and if after that a tie remains, then: The horse(s) with the highest total earnings to date in the current season as compiled by the U.S.T.A. shall have preference.

Any horse entering a designated point earning series event which does not fill and is not raced will receive SEVEN (7) points towards qualifying for the Final, plus credit for a start toward fulfilling any minimum number of starts requirement and toward tiebreaker "a" regarding eligibility for the finals. A horse scratched from an event, which is raced, will NOT receive credit or points toward meeting the starting requirements for the Final.

Starters in Less than 50% of the Legs:

All horses must be declared for the Final by declaration time. Notwithstanding any of the above conditions requiring a minimum number of starts in series legs, in the event a Final fails to fill to the extent as described in the above condition, those with fewer than the minimum starts that declare will then be considered for inclusion in the Final. The highest point earners in this group shall have preference in being added to the field, and in the event of ties, the above clause(s) will be used. Horses must be credited with at least one start in the series to be eligible to the Final.

Money Division:

Left to the discretion of the Host Track for each of these races.

Disputes:

All owners, trainers and drivers of horses nominated to this event must be accepted to participate at the Host Track or the nomination/entry may be denied without refund of previous payments. Any change of trainers made fewer than 30 days or within four starts of the date of this race will be reviewed by the sponsor and if not accepted, may result in refusal of entry. Sponsors reserve the right to amend conditions as deemed necessary without liability.

Rules:

A minimum of seven (7) separate interests may be required in any event or the event may be cancelled. All starters are subject to the detention policy of the Host Track. The rules of the Host Track and its state Racing Commission along with the USTA shall govern unless otherwise specified in these conditions. These races are subject to the Stallion Restriction Condition (SRC) see Meadowlands website for details. Any horse nominated to any Meadowlands stakes/event must be in the care of an approved trainer by April 15, 2020 for any stake/event raced during the month of May and by May 15 for all other 2020 stakes/events. In addition, any owner who participates in a Meadowlands Stake or Early Closing event (with added money greater than \$25,000) with a trainer who has an outstanding Class 1, Class 2 or TC02 positive test having occurred on or after January 1, 2019 and under appeal in any jurisdiction will be declared ineligible to participate in any Meadowlands Stake or Early Closing event for 12 months following the conviction if such trainer is subsequently found guilty relating to the Class 1, Class 2 or TC02 positive test. Nominator also agrees that any horse paid into any Meadowlands stake/event may be required to be stabled for up to 14 days at an approved facility within a 150 mile radius of The Meadowlands or the Tioga or Vernon Downs stable area or an approved facility in a state that agrees to cooperate in an out of competition testing protocol by the date set by The Meadowlands for that stake/event for the purpose of out of competition testing. Failure to comply with these conditions may result in any agreement created by the acceptance of any stakes payment to be declared void at the discretion of The Meadowlands rendering the horse(s) in question ineligible to race in those stakes/events with no liability to The Meadowlands and no assurance of a refund of payments previously made to the stake/event in question. A nomination to these events is an agreement to the above terms and conditions.
