Subchapter 2 - New Jersey Standardbred Development Fund Conditions

Condition No. 2 - Qualifying Standards

- (a) In order to be eligible for nomination to the New Jersey Standardbred Development Fund Program, a foal must be the product of the mating of a Standardbred mare with a resident New Jersey Sire Stakes stallion meeting the requirements of N.J.A.C. 2:32-2.3. Said mares do not need to be registered with the New Jersey Standardbred Development Fund Program, nor does a registration fee need to be paid for said mares; or
- (b) A foal must be the product of the mating of a Standardbred mare with any Standardbred stallion that is registered with the United States Trotting Association or such other generally recognized standardbred breed provided the mare resides in the State of New Jersey for a period of at least 150 days, including the date of foaling. Said mare must register with the New Jersey Standardbred Development Fund Program by December 31 of the year of foaling in order for the offspring to be eligible to the Standardbred Development Fund Program. The registration form must be accompanied by a payment of \$100.

Condition No. 3 - Fund Policy

- (a) All purse money will be allocated as determined by the Board of Trustees of the New Jersey Sire Stakes.
- (b) Advertised purse moneys for all New Jersey Sire Stakes and Standardbred Development Fund races are predicated upon the Pari-mutuel handle of New Jersey harness tracks and therefore are subject to change without notice. Starting fees may also be adjusted, but will never be more than originally advertised for the current season.
- (c) All horsemen's fees are to follow a horse by sex and gait and the fees are to remain in the respective pools.

Condition No. 4 - Transfer Of Race

- (a) If for any reason it becomes impractical or undesirable, in the opinion of the New Jersey Sire Stakes Board of Trustees, to hold the race at the advertised track, the New Jersey Sire Stakes Board, while making every effort to adhere as closely as possible to the advertised location, fees, date, and purse, reserves the right to change any of the foregoing or to cancel the event.
- (b) Further, it shall not be the responsibility of the New Jersey Sire Stakes Board of Trustees to individually inform Standardbred Development Fund nominators, agents, or trainers of any of the aforementioned changes.
- (c) However, the Board shall advertise or publicize changes in racing interest trade magazines such as the various Standardbred related magazines and/or newsletters, and suggests all program participants communicate with the New Jersey Sire Stakes office.

Condition No. 5 - Yearling Nominations

All yearlings to be nominated to the Standardbred Development Fund Program must be registered with the United States Trotting Association or any Standardbred Registry recognized by the United States Trotting Association and must hold a certificate of registration dated on or before the time of nomination.

Nominations of yearlings to the Standardbred Development Fund shall be received along with the nomination fee payment, by the office of the New Jersey Sire Stakes, not later than May 15 of each yearling year or, if May 15 falls on a Saturday, Sunday or a holiday, on the next business day following that date. Nominations received after the closing date will not be accepted.

Any yearling that has been nominated to the New Jersey Sire Stakes Program shall also be considered nominated to the Standardbred Development Fund Program without further payment of any additional nominating fees. Payment of the nomination fee covers nomination to both the Standardbred Development Fund and Premier divisions. Thereafter, each program will have separate sustaining payments.

The nomination fee for those yearlings otherwise meeting all Standardbred Development Fund eligibility requirements of these rules, but which were foaled as a result of a breeding with a non-resident New Jersey stallion, shall be \$50 if accompanied by a certificate of registration or a copy of a certificate of registration from the United States Trotting Association or from a Standardbred Registry Body recognized by the United States Trotting Association. These yearlings shall only be eligible to compete in the Standardbred Development Fund Program and not the New Jersey Sire Stakes Program, however. An additional \$25 processing fee shall be due if said certificate of registration is not submitted. Thereafter, each program will have separate sustaining payments.

Nomination payments are to be made to the New Jersey Sire Stakes, P.O. Box 330, Trenton, NJ 08625.

Supplemental nominations may be made to the New Jersey Standardbred Development Fund. Parties delinquent in paying the May 15 yearling nomination fee date are given until September 15 of the yearling year to fulfill the aforementioned conditions of nomination and pay the nomination fee along with an additional late fee of \$500. For nominations received after September 15 but on or before February 15 of the two-year-old year the cost will be \$700 in addition to the original nomination fee.

Condition No. 6 - Sustaining Fees

The sustaining fee schedule to the Standardbred Development Fund Program will be as follows:

Condition No. 10 - No Cash or Partial Payments

Condition No. 11 - Refunds

All requests for refunds on sustaining or nominating payments must be made by letter to the Secretary of the New Jersey Sire Stakes Board of Trustees, postmarked on or before the 15th of the month in which the payment is due. In the event that the 15th falls on a Saturday, Sunday, or Holiday, the due date will be the next business day following the 15th.

Condition No. 12 - Time of Declaration

Starters declare in at the same time as in practice for overnight events at the raceway where Standardbred Development Fund Races will be contested. Under no circumstances will late entries be accepted.

Condition No. 13 - Name Change Notification

Owners, trainers, drivers, or their agents, or Stakes Services, shall notify the New Jersey Standardbred Development Fund Program of a gait or name change of a horse by the time of declaration to a race, or the entry may not be accepted for that race. No sustaining payments shall be accepted on any unnamed horse.

Condition No. 14 - Entry Fee Deadlines

- (a) All Standardbred Development Fund Race entry fees must be paid at the time of the race or the horse may not be allowed to start.
- (b) All New Jersey Standardbred Development Fund horses entered and drawn to post positions are required to pay entry fees at the track. This entry fee is required even though a horse is scratched.
- (c) The entry fee must be paid or the horse will not be permitted to race in any Standardbred Development Fund event until the fee is paid and collected.
- (d) The entry fee will not be refunded unless the horse dies between the time of declaration and the start of the race.
- (e) When an owner has outstanding debts owed to the New Jersey Sire Stakes, every horse owned in whole or part by that owner shall be subject to be declared ineligible by the Board of Trustees or its representative to be entered or to start in any New Jersey Sire Stakes Race until such time that debt is collected.

Condition No. 15 - Entry Fees

Entry fee will be:

2-year-olds \$200	3-year-olds \$200
-------------------	-------------------

Entry fees for Standardbred Development Fund Finals will be \$500. Finals fee is waived if entry fees are paid for 1st & 2nd legs.

The Board of Trustees of the New Jersey Sire Stakes Program may at any time, in its sole discretion, reduce the amount of these fees as conditions warrant. In no case, however, will the fees exceed the published amount.

Condition No. 16 Purse Distribution

The purse will be distributed as follows:

5 or more starters	50%	25%	12%	8%	5%
4 starters	55%	25%	12%	8%

Condition No. 21 - Final Races

There will be a two-and three-year-old "Final" race in each Standardbred Development Fund at a licensed facility approved by the New Jersey Racing Commission and as scheduled by the New Jersey Sire Stakes Board of Trustees.

Consolation races may be scheduled at the option of the track and shall be conducted under track rules. Horses eligible to race in the final events must race in the finals and not in the consolation events.

Each Standardbred Development Fund Final will have a \$500.00 entry fee, subject to waiver consistent with 2:32A-2.15, and is open to the highest New Jersey Standardbred Development Fund point winners in the series that are declared in and can be drawn to a post position in the first tier. Trailers are not permitted to start in any New Jersey Standardbred Development Fund Finals. Finals entry fee will be waived if a horse's entry fees have been paid for both the 1st & 2nd leg.

All horses competing in Standardbred Development Fund Finals at all tracks will be determined on a point basis. A horse must start and finish a heat in order to earn points.

The point value will be awarded as follows:

In the event of a dead heat for any position in a New Jersey Standardbred Development Fund race, the points shall be split evenly among the horses that finish in the dead heat.

In the event of a tie in point standings for Final events, money won in Standardbred Development Fund races in which points were accumulated shall be used to break the tie.

In the event of a tie for the last spot in the top ten or top eight money winners for a Final event, the last spot in the Final will be drawn by lot from among the horses tied in both points and money winnings in the Standardbred Development Fund and having the highest point totals and not already included in the Final.

Judges' "official order of finish" will be used in determining eligibility to Finals exclusive of all appeals yet to be decided at the time of closing of the entry box for Finals.
